Where did you get the book? _____

II. In fifty words or less, explain what you feel was the purpose of this book (besides making money for the author). Write **complete** sentences. (15 points)

III. Discuss in detail something(s) new that you learned as a result of reading this book. Give specific details from the book to support your ideas. Write at least 100 words in **complete** sentences. (40 points)

IV. ****CRITIQUE THE BOOK**** Evaluate the quality of the book and the author's writing style. Discuss as many of the following ideas as possible. Does the author use vivid descriptions and imagery? Does the author use technical jargon specific to the topic? Does the language include difficult vocabulary, slang, poor grammar, or anything unique? How does the language affect the reader's ability to understand the book? Does the book reveal any particular bias? If so, what is that bias? What is the format of the book? (stories, letters, conversations, chronological events, etc.) What age group or interest group of people does the book target? Would you recommend this book to anyone? Why or why not? Give specific examples from the book to support your responses to any of these questions. (30 points)
